AUGUST / SEPTEMBER 2010

Message from the President

Dear Friends,

Let us congratulate Dr. Chi-hung LEONG, our association's founding president and a world renowned urologist, for being awarded the Grand Bauhinia Medal. This is the highest award under the Hong Kong honors and awards system to recognize an individual's life-long contribution to the well-being of Hong Kong. The College of Surgeons of Hong Kong is arranging a dinner to celebrate Dr. LEONG's achievement in Langham Hotel on 21 September 2010. Please join the dinner to congratulate Dr. LEONG. For further details, please contact Ms. Jane Wong on 852-2871 8793 or email janewong@cshk.org.

Dr Chi-wai MAN, our past president 2004-2006, has been invited by the Chinese Urological Association to be the UAA lecturer for the 17th Annual Meeting of Chinese Urological Association which will take place on 14-17 Oct 2010 in Xi'an China. The topic of his lecture will be "Ketamine Uropathy: A New Epidemic". I am sure that Dr Man's insight, charisma and fluent PuTongHua will impress the delegates in the meeting and will enhance further the academic interflow and friendship between urologists of Hong Kong and mainland China.

Prof Sidney YIP, Mr. Hoi-chu TO and I have been invited to be guest speakers of the plenary sessions and the associated urology nursing symposium of the 19th Malaysian Urological Conference (www.borneourology2010.com) to take place in Pullman Kuching, Sarawak Borneo, Malaysia on 25-28 November 2010. The theme of the conference is "Quality Care through Innovations" and Dr. Guan-chou TEH, chairman of the conference, welcomes abstracts from HKUA members.

May I remind you that the **deadline** for submission of abstracts for our association's ASM this year is **10 September 2010**. Please visit our association's website or contact our conference secretariat, Ms. Tammy Hung (tel: 852-96096064, fax: 852-83445115, email: hkua.conference@gmail.com) for further details.

Last but not least, my best wishes to the five ordinary members who are studying for the Joint Specialty Fellowship Examination in Urology which takes place around the mid-autumn festival next month: Dr. Ringo CHU, Dr. Hilary KWOK, Dr. James LI, Dr. Wai-kit MA and Dr. Joseph WONG. We look forward to the celebration party for their victory and to their becoming full members.

Peggy CHU
